

**“The Parent Council of Rothesay Joint Campus met with Cleland Sneddon and Acting Principal Mr John Lawson on Tuesday 26<sup>th</sup> November 2013. At the meeting, questions were asked regarding the upheld complaints that were covered by the media. Reassurances were sought and given, that lessons have been learned. Clarification was given to the Parent Council.**

**The concerns were robustly discussed bearing in mind the views of the wider parent body which they represent.**

**The Parent Council heard from Cleland Sneddon that all schools’ Child Protection procedures will be updated in line with new procedures being issued for the west of Scotland. The education authority has committed to provide further training for all authority staff in relation to these procedures.**

**The Parent Council acknowledged the many positive achievements of the campus and the need to promote these in the community.**
